## **ADMINISTRATION**

The Administration Department provides general support for all City operations including the legislative and legal functions. There are six divisions within Administration consisting of:

- City Manager
- City Council
- Community Promotion
- City Clerk
- City Attorney
- Personnel/Risk Management

### **City Council**

Five City Council Members are elected at-large to serve staggered four-year terms of office. Each year the five City Council Members select a presiding officer to serve as Mayor. In addition City Council Members serve as the Board of Directors for the Community Development Commission, South Gate Utility Authority, Public Financing Authority, Industrial Development Authority and Public Access Corporation. Individual City Council Members also serve on county and regional committees that review specific issues and then make recommendations to the entire City Council as appropriate. Some of the duties of the Council include setting policy by enacting laws and ordinances, approving City programs, adopting the City operating budget and providing general policy direction to the City Manager as to the current and future direction of the City.

### **City Manager**

The City Manager's Office provides oversight and direction to all city programs to ensure that they meet the needs of the community and respond to City Council goals. The City Manager is the chief advisor to the City Council on policy issues of concern to the organization and keeps them advised of the City's financial condition and the future needs of the City. The City Manager also serves as the Executive Director of the Redevelopment Agency. The Office oversees the Public Access Corporation, which administers all cable television public access services provided to the community through the cable television franchise owned and operated by Time Warner Cable.

### **Community Promotion**

The Community Promotion division within the City Manager's Office is responsible for all events and programs that promote the City of South Gate. This includes working with the Chamber of Commerce to sponsor the annual Azalea Festival and Christmas Lane Parade.

### **Personnel**

The Personnel Department manages the recruitment and selection process for full-time and part-time positions that are available through the City of South Gate. The Personnel staff conducts new employee orientations and administers the employee benefits program, service awards program and the performance evaluation system. The Department provides advice and assistance to other departments relative to personnel matters; maintains the City's classification and compensation plan; provides job-related training; conducts labor relations activities including employee discipline matters, employer/employee negotiations and administers the provisions of the collective bargaining agreement.

## ADMINISTRATION

### **Risk Management**

The Risk Management function is accounted for in the Insurance Fund. South Gate is self-insured for general, automobile and public liability claims and is a member of the Independent Cities Risk Management Authority, a joint powers authority formed to provide excess liability insurance coverage for independent cities.

Included in this fund are expenditures for liability, workers compensation and unemployment claim payments as well as the employee safety program and training. Also included are insurance premiums for excess liability, property, boiler and machinery, workers compensation, retiree health insurance and public official bonds. The Insurance Fund is financed by charges to user departments based upon the claims experience of that department.

### **City Attorney**

The City Attorney provides legal advice and services to the City Council, Commissions and staff and ensures that the City complies with all codes and regulations. The City Attorney represents the City in litigation, manages outside Counsel representing the City and reviews contracts, ordinances and resolutions.

### **City Clerk**

The City Clerk's office is responsible for preparation of agendas for the City Council, Redevelopment Agency, Housing Authority, and Financing Authority. As the official record keeper for the City, the City Clerk's office maintains all central and legal files of the City. The City Clerk is responsible for the conduct of all municipal elections, and provides assistance to the Los Angeles Registrar-Recorder with voter registration. The Office maintains rosters, agendas, minutes, attendance records, applications and oaths for the City's Boards, Committees and Commissions.

### **Public Access Corporation**

The Public Access Corporation is an entity of the City formed to administer and oversee all cable television public access services provided to the community through the cable television franchise owned and operated by Time Warner Cable.

## ADMINISTRATION

### **Budget Narrative**

The Administration Budget totals \$7,194,508 this fiscal year, a decrease of nearly \$280,000 over the previous fiscal year. In 2007-2008 there were several projects, such as the Civic Center Needs Assessment and Measure P, which required additional funding that is no longer needed. In addition, it is anticipated that legal expenses will continue to decrease as the City settles claims and improves its risk management program.

### **Prior Year's Accomplishments**

- Assisted the Tweedy Mile Association in becoming a non-profit organization, and provided assistance to the association in developing a business plan.
- Implemented a comprehensive public information and community outreach effort concerning Measure P.
- Hired new City Manager
- Continued active participation in regional and statewide organizations including: Gateway COG, League of California Cities, Independent Cities Association and California Contract Cities Association
