Some things in life are **FREE!**

Bring us your used oil filters and we'll give you new ones for FREE!

Saturday, March 6, 2010

9 am - 2 pm

Save your used filters!

**Renteria Auto Parts
9523 Long Beach Blvd.
(323) 564-3069**

Seal your filters in a leak-proof container or a zip lock bag, and bring them to our filter exchange event.

Receive up to 5 new filters just for participating!

Minimize the amount of oil left in the filter by draining it for 24 hours.

Zero waste - You Make It Happen!

Did you know that oil is a renewable resource that doesn't wear out. We can use it over and over again!

Did you know that you should recycle your used oil filters? Yep they contain about 8 ounces of oil along with steel that can be recycled! These can be recovered and used again!
